

Europass certificate supplement (*)

1. Title of the certificate ⁽¹⁾

Aluminiumskonstruksjonsfaget

⁽¹⁾ In the original language

2. Translated title of the certificate ⁽¹⁾

Aluminium Constructions

⁽¹⁾ If applicable. This translation has no legal status.

3. Profile of skills and competences

The skilled aluminium constructor has shown competence in designing and joining aluminium sheets, pipes and profiles together to make larger components and constructions. Competence includes assembling and fashioning components and using measuring tools. Prebuckling and reinforcing, cutting and fashioning, rolling, shearing, punching and stamping materials, along with drilling, threading, grinding, brushing and polishing are part of this competence. This also includes methods for joining and assembling constructions and products, as well as assessing material properties, handling and storage. Use and maintenance of tools, machines and equipment are also part of this competence. The aluminium constructor is able to plan, carry out and document work based on drawings, specifications, standards, quality assurance systems, and laws and regulations. An understanding of safety and quality control systems are also a part of an aluminium constructor's competence. This involves risk assessment, deviation controls and methods to assure traceability, among other things. The aluminium constructor also has a comprehensive understanding of the trade and the basis for professional development, exchange of experience and applying new technologies.

4. Range of occupations accessible to the holder of the certificate ⁽¹⁾

Trade certificate as a skilled aluminum construction operator

⁽¹⁾ If applicable

(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
