

1. Title of the certificate ⁽¹⁾**Buntmakerfaget**⁽¹⁾ In the original language2. Translated title of the certificate ⁽¹⁾**Furriery**⁽¹⁾ If applicable. This translation has no legal status.

3. Profile of skills and competences

The skilled furrier has shown competence in developing, fabricating and repairing furs, fur coats and other similar garments. The furrier is able to plan and fabricate products and garments made of furs for design, fashion and clothing based on materials, measurements, cuts, forms and colours. This competence includes measuring up, re-sewing, repairs and maintenance of fur products. Assessing the quality of skins and hides, taking measurements and making patterns, the use of different stretching, leathering and joining techniques, removing errors or mistakes, nailing, preparing and finishing fur garments are a part of the furriery profession. The furrier is able to determine the species of furred animals, handle chemicals and use tools and fur/fleece machines and other sewing equipment for production. The furrier is able to use digital tools and assess, present and document work. The holder of this document is able to instruct customers and handle complaints, market furrier products and assess market needs. The furrier has knowledge of the history and traditions in the trade, its distinctive characteristics and ethical aspects, the Washington Convention, the value chain of production and qualities and properties of skins, hides and furs. He or she is able to carry out economic calculations and assess profitability in the furrier trade. The furrier is able to work in accordance with current rules for fur production and for Environment, Health and Safety.
