

Europass certificate supplement (*)

1. Title of the certificate ⁽¹⁾

CNC-maskineringsfaget

⁽¹⁾ In the original language

2. Translated title of the certificate ⁽¹⁾

CNC Machine Operation

⁽¹⁾ If applicable. This translation has no legal status.

3. Profile of skills and competences

The skilled CNC machine operator has shown competence in working with computer-controlled machines for the production of mechanical parts and components. Competence includes computer controlled machinery movements related to speed, positions, directions and condition sensors on CNC machines. This involves planning, programming, production and monitoring the machines. Troubleshooting, adjustments and optimising programs are a part of this competence. This also includes selection of materials, equipment and cutting tools. The use of measuring tools, measurements and assessing the results from these measurements are also included in this competence. The CNC machine operator is able to plan, program, produce and document work based on drawings, specifications, standards, procedures, current QA systems and rules for Environment, Health and Safety. An understanding of quality, safety, standards and profitability are a part of a CNC machine operator's competence. Reading drawings and the use of tolerances are a part of this. A CNC machine operator's competence also involves discussing professional solutions and recommending improvements.

4. Range of occupations accessible to the holder of the certificate ⁽¹⁾

Trade certificate as a skilled CNC machine operator

⁽¹⁾ If applicable

(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
