

Europass certificate supplement (*)

1. Title of the certificate ⁽¹⁾

Kjemiprosessfaget

⁽¹⁾ In the original language

2. Translated title of the certificate ⁽¹⁾

Chemical Processing

⁽¹⁾ If applicable. This translation has no legal status.

3. Profile of skills and competences

The skilled operator in chemical processing has shown competence in controlling and monitoring production in the processing industry, as well as the treatment of drinking water, waste-water and industrial water. Competence includes processes and production methods where the use of processing equipment, machine settings and monitoring process data are included, as well as maintenance of plants and equipment and preparing for work at the plant. This also includes understanding production flow from raw materials to finished products. The skilled operator in chemical processing is able to plan, carry out, assess and document work in accordance with instructions, procedures and current legislation. This also involves calculations and the use of drawings, pictures, forms and schedules. Environment, Health, and Safety are central aspects of competence in the chemical processing operator's profession. Competence also includes understanding the relationship between production, the environment, economy and quality. The skilled operator in chemical processing has shown competence in discussing solutions to problems and optimisation of production with colleagues and other professional groups in Norwegian and English.

4. Range of occupations accessible to the holder of the certificate ⁽¹⁾

Trade certificate as an operator in chemical processing

⁽¹⁾ If applicable

(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
