

Europass certificate supplement (*)

1. Title of the certificate ⁽¹⁾

Kran- og løfteoperasjonsfaget

⁽¹⁾ In the original language

2. Translated title of the certificate ⁽¹⁾

Crane and Lifting Operations

⁽¹⁾ If applicable. This translation has no legal status.

3. Profile of skills and competences

The skilled crane and lifting equipment operator has shown competence in operating, supervising and performing maintenance on lifting devices and lifting tools used in all forms of industrial activity, offshore installations, power and energy plants, buildings and factories, and for transport, shipping, fishing and farming. Competence includes servicing main cranes such as mobile cranes, tower cranes, offshore cranes and rotating portal cranes and many different kinds of lifting equipment. This also includes positioning and using lifting devices and lifting tools, as well as guiding and carrying out lifting operations. Maintenance and functions testing related to lifting devices and lifting tools are a part of this competence. This includes cleaning, lubricating, troubleshooting, adjusting and error rectification, along with periodic control checks and cooperating with maintenance specialists. The skilled operator is able to plan, carry out, inspect, assess and document work in accordance with instructions, flow charts, technical drawings, specification requirements and current legislation. Environment, Health, Safety and risk assessments of working processes and lifting operations are central aspects of the skilled crane operator's competence. This also includes quality control work and registration and deviation management.

4. Range of occupations accessible to the holder of the certificate ⁽¹⁾

Trade certificate as a skilled crane and lifting equipment operator

⁽¹⁾ If applicable

(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
